RUWANTHIKA HARSHANI

SOFTWARE ENGINEER

Phone: +94 711500539   **Email:** ruwanthikapemarathna@gmail.com

PROFILE

Highly motivated fresh graduate with strong programming skills in Java and JavaScript with experience in software development through group projects and consider myself to be hardworking with the ability to learn.

PROJECT EXPERIENCE

Employee Management System

React JS with Spring Boot

- Developed a Employee Management System using React JS with TypeScript, SpringBoot and MySQL
- Implemented CRUD operations for managing employee records, allowing easy creation, retrieval, updating and deletion of informaion
- Implemented User authentication using Email & Password for security purposes in a application
- Implemented login functionality using Redux to manage authentication state
- Used Postman for API testing
- IDEs used: VS Code | intellij IDEA
    Front End - GITHUB
    Back End - GITHUB

Expenses Tracker Application

Angular

- Developed a Expenses Tracker System using Angular, Angular materials, TypeScript and Firebase | VS Code
    GITHUB

Github : Ruwanthika Harshani

SKILLS

- HTML5
- CSS
- Bootstrap
- JavaScript
- React JS
- Angular
- MySQL | MongoDB
- Java | Spring Boot
- Node JS | Express JS
- VS Code
- Intellij IDEA
- GIT | GitHub
- Problem Solving

PROJECT EXPERIENCE

Point Of Sale System

MERN Stack

- Developed a Point Of Sale System using Node JS, Express JS, React JS with TypeScript, MongoDB and JWT
- Implemented Email sending functionality using nodemailer
- IDE used : VS Code
    Front End - GITHUB
    Back End - GITHUB

Website Development For a Studio

HTML, CSS, JavaScript

- Developed a Website for a studio using HTML, CSS, JavaScript, Bootstrap and MySQL | VS Code
    GITHUB

Student Management System

Java

- Developed a Student Management System using Java, JavaFX, JFonix, jbcrypt, JDBC-MySQL and Scenebuilder | Intellij IDEA
    GITHUB

Please feel free to visit my PORTFOLIO to explore more about my projects and their details.

EDUCATION

Bachelor Of Sciences
Information Technology
Rajarata University Of SriLanka
2017 - 2022

Diploma in Software Engineering
Developers Stack Academy
2023 - 2024

GCE (Advanced Level)
Mathematics Stream
B C S

GCE (Ordinary Level)
4A, 2B, 3C

REFFERENCES

- H.D.M.P.Jayasooriya
  ICT Lecturer
  Rajarata University Of SriLanka
  (+94) 716690187

- U.Y.Anushka
  Senior Engineer, Cloud Engineering
  LSEG Technology
   (+94) 713151069
